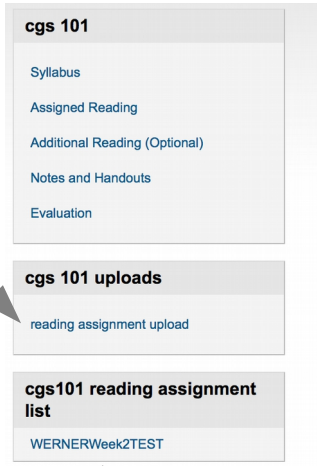
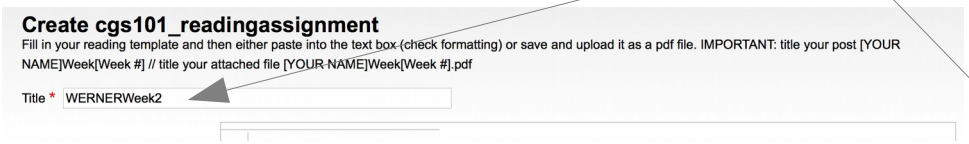
Uploading your Completed Reading Assignment Template to the CGS 101 Web Site – Instructions

(1) Navigate to the CGS 101 Web Site: https://complex-systems-laboratory.org/cgs101

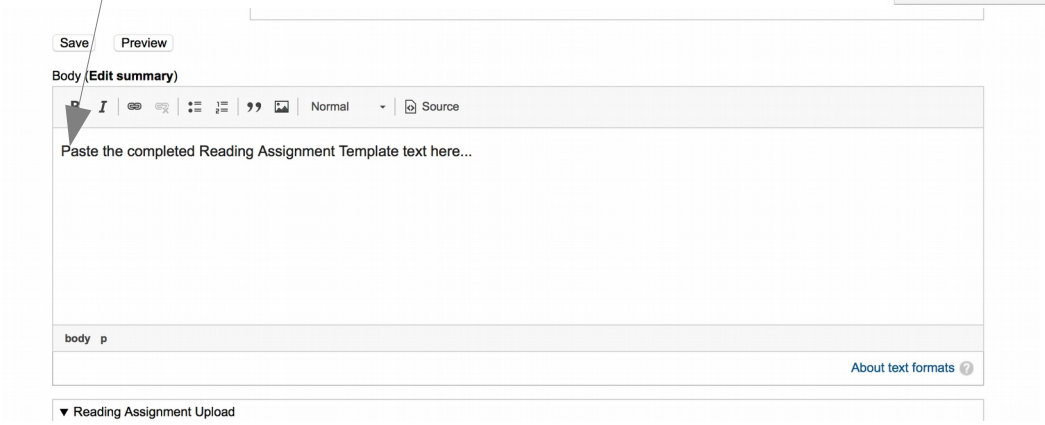
(2) Click on reading assignment upload in the right column



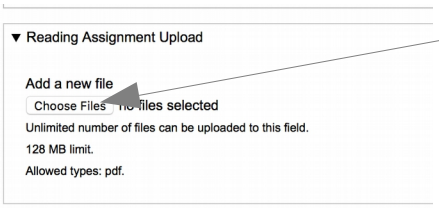
(3) Fill in the Title box as [YOURNAME]Week[Week #]



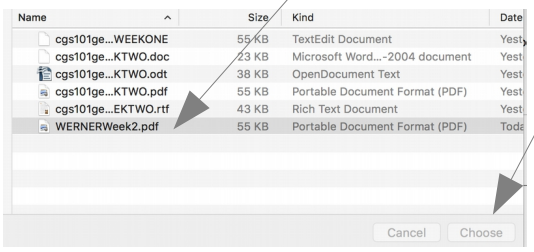
(4) Either
Copy and Paste the completed text from the Reading Assignment Template into the Body box

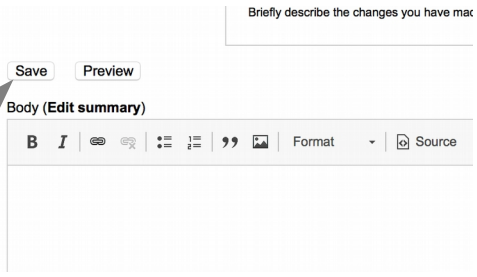


or attach a pdf version of your completed Reading Assignment template by
--Clicking on Choose Files under Reading Assignment Upload



and then selecting a file and clicking on Choose





Finally, click on Save to submit your assignment. Note that you will be able to view, but not edit or delete your post, so if you make a mistake, upload a second version (I will only look at the latest version).

Let bt know if you have any questions!
